Pursuant to 28 U.S.C. § 636, the Court has reviewed the Petition, records on file, and Report and Recommendation of U.S. Magistrate Judge. On December 21, 2015, Petitioner filed Objections to the R&R, in which he simply "reincorporates the arguments and points and authorities submitted" in his opposition to Respondent's motion to dismiss. (See Objections at 1.)

The Court accepts the findings and recommendations of the Magistrate Judge. IT IS ORDERED that the Petition is denied without leave to amend because it is untimely and Judgment be entered dismissing this action with prejudice.

DATED: February 23, 2016

 MICHAEL W. FITZGERALD
 U.S. DISTRICT JUDGE
